Welcome Gwen!

We are excited to introduce the newest KissAble Canine trainer, Gwen Podulka.

Gwen comes with 16 years of training experience. Her passion for training was truly ignited while she learned how to communicate with her deaf dalmation, Pongo. Her training career continued and Gwen became a service dog trainer. She also ran her own training business working with family pet dogs in the Orlando, FL area.

You may see Gwen teaching classes, at events or out with her Bearded Collie, Lemon. Stop and say hi!
